

Clean up with IHSAN Cotton products

IHSAN

IHSAN Cotton Products a name based on the core foundation of trust and high quality belongs to a 100% export oriented group that has been running its family business since 1930 and have been a part of the Textile industry since 1947.

IHSAN started its spinning unit in 1992 with the establishment of European Textile machinery like Trutzchular, Schlafhorst and Rieter.

IHSAN Cotton is the trend setter in the Cotton industry for tapping in innovation and creating products that help us in our daily lives some of them are Yarns both ecru and coloured, madeups, household cleaning products like Mops, Drop Cloths, Twine, Clothesline, Meat Stockinette, Cotton Blankets, Sports Socks and recently added vertical Terry Towels unit to its line thus consuming its own yarns and finishing the final products in house.

With regards to its recognition and promise to deliver products that assure quality we now export to U.K., U.S.A, Canada Australia and Middle East.

Mission

Our goal is always to create products that are a symbol of quality, comfort and perfection.

IHSAN manufactures products using the most advance technology that helps to cater to the growing demands across the globe.

IHSAN believes in improving our ways of working and our focus has always been to improve lives through innovation.

Values

IHSAN focus has always been the well being and takes pride in satisfying our customers and never missing an opportunity that allows it to grow and increase market share.

IHSAN products are a combination of innovation mixed with technology. We believe in improving and adding value to daily lives.

IHSAN success has a lot to do with faith in its employees and the spirit of team work. All these factors define who IHSAN's are and what they do.

Welcome

It wouldn't be wrong to say that Quality is the key element of our existence. For us Quality defines everything for all of products including towel collection is a proof of it.

IHSAN Towels not only bring comfort and reliability but also are affordable. The collection is available in an array of beautiful colours from classic subtle hues to rich and luxuriously vibrant shades. Quality is definitely everything and we aim to bring you the very best with our new towel collection.
